

Leisure Suit Larry in the Land of the Lounge Lizards

LAND OF THE LUNGE LIZARDS

This is what Larry Laffer used to look like (pathetic, isn't it?). Notice the receding hairline and expanding waist. The cardigan sweater and pocket protector give you a pretty good idea of what is - e totally mild and lazy guy.

The "old" Larry Laffer was a confirmed bachelor. At 38 years old, he still lived with his mother, and the idea of asking a woman out was, basically, terrifying. He felt more comfortable at night curling up with a good book (his favorite, "Know Your RS-232 Serial Port") and listening to his record collection, which absolutely reeked of Air Supply and Barry Manilow records.

Then one day it hit him. Larry realized that his opportunity to live was passing by faster than an ugly woman on the way to her wedding. So he decided to change. "No more Mr. Nice Guy!" he shouted. "It's time to party!"

This is the new Larry Laffer. Underneath all the polyester and gold, he is still the same weenie he always was, but after a credit card blitz at the Night Fever Polyester Plaza Larry is equipped for a night on the town. Notice the solid white leisure suit, genuine gold-lacquered chains, the "steppin' out" elevator shoes and the "Saturday Night Fever" style bouffant haircut (guaranteed to get the chicks - by the truckload!). A few nights at the Disco On Fire Health Club and Dance Spa has given Larry new confidence, new grace, and a 360-degree move that has to be seen to be believed.

Now Larry Laffer has landed in Lost Wages for one fabulous evening.

Watch out world, here he comes.

AN OVERVIEW

A Sierra 3-D Animated Adventure Game, simply stated, is an interactive movie where you become the main character. In this game, the main character is "Leisure Suit" Larry Laffer, a would be man-about-town and exceptionally mild and lazy guy. The "movie" takes place in the fictional town of Lost Wages.

Each 3-D Animated Adventure Game has a main goal, and yours in Leisure Suit Larry in the Land of the Lounge Lizards is to find and seduce the girl of your dreams. This goal won't come easy, because you only have one night, and unfortunately, you are stuck with Larry's looks. Other problems, such as lack of money, lack of opportunity, and bad breath can complicate things significantly. Your interaction with the game controls the outcome of each situation.

For example, having your character sign on with a major league baseball team or start a successful men's magazine could be beneficial to your ultimate goal. On the other hand, catching a fatal disease or losing all your cash can only impede your progress.

A combination of common sense, logical thinking, and downright sheer luck is needed to achieve your goal. Good luck.

TIPS FOR NEW ADVENTURE PLAYERS

NOTE: IF YOU HAVE PLAYED AN ANIMATED ADVENTURE BEFORE, THIS SECTION CAN BE SKIPPED.

1. HOW TO MOVE AROUND

Basic instructions on how to interact with this game are included on the command card enclosed. If you are not sure of what to do, follow the WALK THRU at the end of this manual.

2. IT PAYS TO USE PROTECTION

Due to the dangerous nature of this (and every) adventure game, you will want to type SAVE GAME many times during a playing session. Type SAVE GAME any time you have done something important. Type SAVE GAME when you feel you're in danger.

RESTORE GAME is used when you were right, and there was danger. If you get killed, type RESTORE GAME rather than starting over. Careful and diligent use of this function has saved many an adventurer from frustration and impotence.

(For more on save and restore game, see Reference Card enclosed.)

3. LOOK AT EVERYTHING

When you enter a room type LOOK AT THE ROOM. When you enter a street, type LOOK AT THE STREET. When you want to talk to a woman, type TALK TO THE WOMAN. The descriptions and close-ups offered may provide valuable clues.

4. PLAY WITH A FRIEND

When it comes to playing Leisure Suit Larry, more heads are better than one. You may find it very helpful, and more fun, to go through this game with a friend.

5. A FEW CHOICE WDRDS

This 3-D Animated Adventure Game understands a number of verbs such as.

BLOW UP	EAT	ORDER
BUY	GET	READ
CHANGE	GIVE	TAKE
COUNT	JUMP	UNDRESS
CUT	KISS	USE
DRINK	LOOK	WEAR
DROP	OPEN	

Naturally, not all of these words are understood in every situation. (This is graphic adventure after all), nor will these words all fit into one sentence, but you can string these words into commands such as "COUNT THE MONEY" and "USE THE KINKY DEVICE."

6. YOU'VE GOT TO BE DPEN MINDED

If it's silly, rude, dirty or lunny, Al Lowe and Mark Crowe probably thought of it when they were writing this program. Some of the puzzles in this game may require deranged thinking to solve.

You should try anything you can think of. After all, no one ever got a social disease from a keyboard, and you have your RESTORE GAME function if things really backfire on you.

7. IF YOU STILL CAN'T FINISH

Feeling frustrated? Can't finish what you started? Is your wife making fun of you?

Even the best adventurers sometimes can't complete their tasks. (For text adventure players, this is almost a chronic disorder.)

For this reason, hint books for all of the 3-D Animated Adventures are available. You can order the hint book for this game using the order form in this package. Don't be embarrassed, it happens to us all sometimes. If you just want to talk about your problem, call the Sierra Customer Support Line at (209) 683-6858 or the Sierra Bulletin Board Service at (209) 683-4463. (We promise to be discreet.)
